

PRESS NOTE

Rainbow Children's Hospital launches Rainbow Children's Clinic and BirthRight by Rainbow Clinic at Attapur

Hyderabad, 18th December, 2024:

Rainbow Children's Hospital, India's leading pediatric multi-specialty and perinatal care hospital chain recently launched an exclusive clinic for women and children at Attapur. With a vision to provide high standards of care for the mother, fetus, newborn, and children in different regions within the city, Rainbow has expanded its network with the introduction of clinics. Dr. Ramesh Kancharla, Chairman and Managing Director, Rainbow Children's Hospital, Dr. Dinesh Kumar Chirla, Director Intensive Care Services, Rainbow Children's Hospital, Dr. Pranathi Reddy A, Clinical Director – Obstetrics & Gynecology, BirthRight by Rainbow Hospitals and many others from the leadership team graced the occasion.

The clinic is well-equipped to provide comprehensive care for Pediatrics, Obstetrics, Gynecology, Fertility, and Fetal Medicine. It also offers major services like Ultrasound Scan, Lab Investigations, Vaccination, etc. This launch brings the best-in-class treatment, world-class infrastructure, and India's leading pediatricians, gynecologists, and obstetricians to Attapur.

Speaking about the launch, **Dr. Ramesh Kancharla, Chairman and Managing Director, Rainbow Children's Hospital** stated, "We are delighted to launch Rainbow Children's Clinic and BirthRight by Rainbow Clinic at Attapur. Improving accessibility to the highest standards of health care has been our priority since inception. Our major intention is to enable our patients to have a seamless healthcare experience right in their neighborhood".

About Rainbow Children's Hospital:

Set up in 1999, Rainbow Children's Hospital is a leading hospital chain dedicated to pediatrics, obstetrics, gynecology, and fertility. With a rich history spanning 25 years, Rainbow has consistently delivered exceptional healthcare services including quaternary care services like the pediatric liver transplant, renal transplant, and BMT through its advanced infrastructure and expert care. The group operates 19 hospitals and 5 clinics across the country. Notably, the hospital chain has an exclusive pediatric cardiac care centre— Rainbow Children's Heart Institute, in Hyderabad.
