

Press Release

Rainbow Children's Hospital Group strengthens tri-city presence with Warangal launch, advancing Prashanthi Hospital's clinical offerings

Warangal, August 24, 2025: Rainbow Children's Hospital, India's leading paediatric multispecialty and perinatal care hospital chain, has officially launched its **20th hospital in Warangal**, bringing advanced paediatric, neonatal, and maternal healthcare services to the city. Building on Prashanthi Hospital's strong reputation in obstetrics and gynaecology, the new facility expands its scope with comprehensive, world-class paediatric care. The facility is upgraded and rebranded as **Rainbow Children's Hospital for paediatric care and Prashanthi with BirthRight by Rainbow for women's care**.

Families in Warangal and the surrounding districts can now access advanced paediatric and maternal care right in their city. The trusted team of doctors, nurses, and staff who have cared for the community for years will continue to serve patients, now backed by upgraded facilities, modern technology, and a wider range of specialties, bringing world-class care closer to home.

The upgraded **100-bed NABH-accredited facility** offers a comprehensive spectrum of care, including NICU and PICU services, access to paediatric sub-specialties such as paediatric cardiology, neurology, nephrology, and endocrinology, as well as high-risk pregnancy care, and 24/7 emergency services for children and women.

Speaking at the launch, **Dr Ramesh Kancharla, Chairman & Managing Director, Rainbow Children's Medicare Limited**, said: *"This launch is very special as we complete 25 years of Rainbow's journey. By building on Prashanthi Hospital's well-established obstetrics and gynaecology capabilities and trust in the community, we aim to add more specialties, technology, and expertise to further elevate the quality of care available in the city. This expansion is part of our continued commitment to make specialized mother and child healthcare more accessible while complementing the existing medical ecosystem in Warangal."*

Dr Prashanthi Macha, Director, Prashanthi Hospital, added: *"Prashanthi Hospital has always been committed to the highest standards of care for women and children. Partnering with Rainbow allows us to strengthen that promise of high-quality medical care, advanced facilities, and a network that connects our patients to some of the best specialists in the country, while keeping our deep community connection intact."*

Press Release

With **over two decades of experience** and a strong footprint in **Telangana**, with **more than 1,000 beds across nine hospitals**, as well as multiple cities including Andhra Pradesh, Bangalore, Chennai, Delhi, and Guwahati, Rainbow Children's Hospital Group has been at the forefront of paediatric and maternal healthcare in India. The launch of the Warangal unit reaffirms the group's vision to strengthen its presence in high-potential healthcare hubs while working collaboratively with the city's medical community to uplift standards of care and deliver the best outcomes for women and children.

About Rainbow Children's Hospital

Rainbow Children's Medicare Limited network comprises of 21 hospitals and 5 clinics in 7 cities, with a total bed capacity of 2,035 beds. Our Paediatric services operating under the brand "Rainbow Children's Hospital" includes newborn and Paediatric intensive care, Paediatric multi-specialty services, Paediatric quaternary care (including organ transplantation); whereas our women care services under "Birthright by Rainbow" offers perinatal care services which includes normal and complex obstetric care, multi-disciplinary fetal care, perinatal genetic and fertility care along with gynecology services.

Rainbow Children's Hospital built on strong fundamentals of a multidisciplinary approach with a full-time consultant led clinical service along with 24/7 commitment in a child centric environment. The company follows a hub-and-spoke operating model where the hub hospital provides comprehensive outpatient, inpatient care, with a focus on tertiary and quaternary services, while the spokes provide 24/7 emergency care, large outpatient services and comprehensive obstetrics, Paediatric inpatient and level 3 NICU services. This model is successfully operational at Hyderabad and is gaining traction in Bengaluru. The endeavor is to replicate this approach in Chennai and across the National Capital Region. Subsequently Rainbow intends to expand into tier-2 cities of Southern India.

Rainbow Children's Hospital embraces a unique doctor engagement model, where doctors work exclusively on a full-time, retainer basis. The doctors work in teams and have 24/7 commitment, which is particularly important for children's emergency, neonatal, Paediatric intensive care services and to support Paediatric retrieval services. The Company also operates the country's largest Paediatric DNB training program in private healthcare, offering post graduate residential DNB and fellowship program.
